I Love my home - it’s me!

The whole exercise was a dream come true. Format totally understood what I wanted and it was important to them. They make the entire building process easy and enjoyable, and allows you to focus on the areas that you need to. Format Homes were brilliant, and delivered a high quality home on time.

Fantastic - would recommend Format Homes to anyone wishing to build a new home

No Need To Worry

A period of 2 years has passed and still to this day visitors to my home are impressed and comment on the high quality of workmanship.
